

***Welcome to the Summer Experience!***

***Discover how much fun the world of art can be!***

*Dear Parents,*

*Welcome to the Summer Experience, where everyday your child is sure to have an amazing time full of fun and creative activities! If your child enjoys imaginary and creative play, chances are she or he will benefit from being a part of the experience. Our program is designed to expose your child to the arts and humanities. Your child will be learning while they are having fun and gaining confidence and new skills that will serve them for a lifetime!*
